Re: *St. Paul Fire and Marine Insurance Company v.*  
*Transamerica Occidental Life Insurance Company, et al.*  
Civil Action Number: WDQ-02-3123

Dear Judge Quarles:

I have received a copy of Mr. Bernstein's letter to you dated April 14, 2003. That letter in part argues the merits of Transamerica's pending non-meritorious Motion to Dismiss. St. Paul believes it is inappropriate to engage in an exchange of letters to the Court repeating arguments that should be made only in the briefs that are permitted under the local rules. Therefore, I will simply respond by pointing out that St. Paul has fully and appropriately addressed Transamerica's Motion to Dismiss in its Opposition, filed April 14, 2003.

Thank you for your attention to this matter.

Respectfully submitted,
